

EXTERNAL PRINTING

ICON	Printing Style	SAMPLE	Description	Options
	Deboss		Logo or text is pressed onto the case material creating a depressed effect.	No Colour
	Hot Stamp		Logo or text is pressed onto the case material creating a depressed effect.	Up to TWO Colours
	Silk Print		Printed by using stretched fabric laid over a stencil. The ink is then scraped along the stretched silk over the case which creates the image. This step is repeated for every new colour introduced.	Multiple Colours
	Full Digital		Fabric is digitally printed on using a digital printer.	Multiple Colours
	Pad Print		Accomplished by an image being transferred from a silicone pad onto the case.	Single Colour

No set up charges apply for one print style in one area. Choose from Deboss, Pad Printing, Silk Print or Metallic Hot-stamp Printing. Additional costs apply to Full Digital Print.
